hi
yes sorry
just getting anxious about Europe... money spent, going to spend, pressure to make something happen, and coming week, suing, and trying to get us into a proper friend zone.
Your energy was very hyper yesterday and seemed everything was irritating you.
I am really attracted to you but I have to pursue what I planned and it is a giant of a task that will have me living abroad.
I cannot stay here. I got voices again when I was swimming that "I am the enemy".
YES. This happens regularly. I am psychic.
The Jews are trying to get me thrown in jail.
I know it.
It is so frustrating not being able to share my websites.
The more I learn the more I become Harden with the need for a sanctuary and people.
America is poised to keep attacking me.
I would be a nightmare of a partner for you.
Every day I am battling demons.

Hey James. I am on the train. Its early, so excuse any typos.

I have re read you email a couple of times and I am confused - you are coming back in a week or not til Dec? What happened to your court date that would have you back on 16 Sept.?

My plans to move have not changed, but as I wrote your Mother, I have no orders to date, so I am in a holding pattern. I can see this might drag on thru Oct to the latest, but not 100 % so I appreciate "no press ..". That noted I am so down about everything including this holding pattern. Sucks. You are lucky to have family. I do not. And jealous to a fault that you are where you are - this country is so fed up!! Can't wait to leave it forever!

Jealous

I will probably keep paying rent to you and will let you know whats up the minute I know something. So when will you be back? I will place the ad as offered, just been slammed at work. I think you are asking too much considering upstairs just got rented to "Holly" an older woman. Anyway, no one has come by while I am there. Who are you expecting?

Peace,

Anna

And while you are in town -

I don't want you to upset my cats by dropping by for any reason. They are my family and I am their Stewart and it's not a joke. All of your things (except the couch which is covered and the king mattress) are packed away in the basement or at your parents, so you need no entry into the unit ibam renting. If you have someone interested, I will show it and I will need notice to tidy up. I need no additional stress in my life while you are in town. Please respect my privacy and the terms of the lease, that is all I ask. I don't want any problems. Thanks for respecting this email. No bad vibe intended, I just want peace and quiet in my life while in CT. Sure you do too. All units rented so I am sure your parents want no problems either. Thanks and safe travels back.

You will get more if you read all the emails he sent back and forth - recall, he was my initial contact with renting here, scribbled out a contract on a scrap piece of paper, but I recontacted his parents and we signed a formal, legal lease contract. So, more to come ... he's mad at me in the future emails b/c he asked me to let him know if anyone comes by looking for him. Last Friday, someone did and he exploded ... stand by .. next email on the way.
