Motion to Compel for Discovery

On my first court date Feb. 15, I was told by the D.A. that Discovery would be in my hands the following week. The court knows that I no longer reside in the area because of the dangers I face from media coverage and a false ~~at~~ Westport Police narrative to which is being contested via a Frank's Hearing that begins March 14. Therefore, being kept in the dark week after week and not able to return to my home is not what was promised Feb. 15. I respectfully ask that I am given Discovery this week by Friday or Monday Feb 25<sup>th</sup> as planned so I can continue to avoid a very dangerous area for me. I have already endured now 2 false arrests and do not want any more injustice. I need this Discovery for my Frank's Hearing March 14.

Thank you Please release the alleged E-mail.

JAMES LAWRENCE
